PEOPLE WITH A TASTE FOR LIFE!

Launched in 2016, The Full Tummy Fund invests in early childhood development of children from disadvantaged communities up to the age of six. With your help, we have invested R4.4mil into the communities we serve. This enables a stronger educational foundation on which a healthier, more prosperous community can be built. For more stories @fulltummyfund

Since 2005, Spur has invested over R23mil into the Spur Soccer Masidlale programme, enabling us to make a real impact in the lives of over 30 000 boys and girls.

Spur Steak Ranches is proud to be a founding partner of the second biggest schools cycling programme in the world, and celebrated our 10th season by attracting more than 16 000 entries for 60 events in 2018.

In partnership with the Springbok Supporters’ Club, Spur Steak Ranches has provided over 900 boys and girls with a once in a lifetime opportunity to be Springbok Flag Bearers at inbound international rugby test matches. Watch our kids in action

The only T20 style day-night schools cricket and netball programme in the country, the Spur Montrose Night Challenge has provided 3 800 boys and girls the opportunity to compete under the spotlight.

At Spur, we have a taste for life in all we do! Serving you excellent food and creating memories is where our passion lies. It’s very important to us to give back and add value in every community we serve; whether it’s supporting local sports days, helping to raise funds for a school tour through our Shadow Shifts programme or teaching kids about the basics of business in our Sizzling Studies programme.

Thank you for your support!

Food is our passion, and taking care of our planet is our pleasure!
